We spent the first part of this year doing two things: Fighting Norovirus and counting votes for *Club's* Girl of the Year. One was definitely more fun than the other. As we go to press, it's too close to call, so we're going to let some more votes come in before we call it. All we're saying is that our postman has a face like thunder, and you wise readers have expressed your love both for Brits and for the *International* part of *Club* we take so seriously! ♣

Dear Club,

I love dressing up and having sex with my boyfriend. Nurses, businesswomen, schoolgirls – I've worn pretty much every kinky outfit you can imagine to turn my partner on. In fact, until last week the only gear I hadn't managed to get my mitts on was a leather dominatrix outfit. I'd usually improvise – high heels, PVC undies, the back of my hairbrush. But then I decided it was high time I surprised Fred with the real thing.

So that was how I found myself in the all-girl sex shop (yes, such things exist) fighting my way through the double-ended dildo section to the leather. And it was fabulous: collars, cuffs, catsuits with holes in strategic places and, of course, the obligatory horse whips. I tried dozens of combinations before I finally settled on a black mask, tight black leather dress and all the accessories. The only problem was I got so excited putting all the stuff on that I started to touch myself in the changing room. There I was, watching my body in the mirror, fingers between my legs, the smell of the leather taking me back to those first sexual feelings I'd had sat on a saddle as a teenager. I was so wet and horny that all I had to do was rub my hot pussy and I knew I'd cum. I hitched up the skirt as

I masturbated, looking at myself all the time, noticing how great my shaven cunt looked against the smooth skin of the dress. The thought of Fred kneeling before me, sucking wildly at my clit was enough to push me over the edge, and I came as silently as possible, hoping the shop assistant wouldn't hear me.

Luckily, though, having one orgasm just made me desperate for the next one, and by the time I got home I was ready to go again. But I managed to hold on until Fred finished work, spending the time making myself look good instead. The cuffs were on,

the collar in place, and whip in hand by the time he arrived. I was lying on the bed when he walked in. "Get on your knees," I ordered, and he did just that, sinking to the floor in the middle of the bedroom, a huge erection already bursting from his trousers.

Pulling my skirt up slightly, I grabbed the back of his head and buried it between my thighs so he could smell the potent mix of pussy and leather. But as soon as I felt him trying to lick me I pushed him away, slapping his face. I was barely in control of myself and desperate to feel his tongue licking my

cunt but I was pretending to be an icy, cool super bitch. And I knew just what my next order would be: "Take your clothes off and get on all fours." Fred didn't hesitate, pulling off his suit till he was butt naked, his cock standing up huge and stiff, the pre-cum already shining at the tip of his shaft. I buried my heel in the small of his back and pushed him to the floor, then just teased him by pushing the stiletto right up to the entrance to his arse. The whip was in my hand and I started to flick it against his buttocks, getting hotter and hotter as he moaned with pain and pleasure, enjoying the look of the red marks on his flesh.

My snatch was so wet I could hardly bear not sitting down on his cock, but I wanted him to know just how

BRITS & PIECES!

Dear Club,

Four of my favourite British babes in one issue? *Club* 42.1 is a keeper! Great to see Sasha back, great to see Sophia Knight becoming more regular, great to see Natalia but, most of all, great to see Natasha Anastasia. I love that girl, and I've been desperate to see more of her in *Club*. But all these amazing Brit babes aren't blinding me to the other girls, and I went mad for Mia. The hottest American I've seen in yonks. More, please.

Gordon, Newcastle

Here's a trade secret, Gordon. Issue 1 is usually our worst seller of the year, because all the shops are closed over Xmas. So we thought we'd pack it full of extra special girls for the die-hard readers who've tracked one down. Lots of Brit babes coming your way this year, plus some ridiculously hot new discoveries from all over the world.

BOX BALLOT!

Dear Club,

It's hard to pick a girl of the year, because I wanked myself empty over dozens of them this year. I voted for Jenny Laird last year, but as she hasn't really been about – and nor has Sasha, my second pick – I might have to go for Sophia Knight or Isis Taylor. But it just seems unfair to narrow it down. So can you reassure all the *Club* girls that while I can only vote for one of them, I'll definitely keep wanking over all of them.

George, Grantham

Consider them reassured. Votes have just started coming in as we go to press, but it's too soon to call it, so we'll leave it another issue before we reveal the favourite girl of 2012. But from the crackers in this issue and last, 2013 is going to be a vintage year!

wild I was. I spread my legs and sat astride him, making sure he could feel my dripping cunt against his back, riding him like I used to ride my horse. Then I couldn't take it any longer, and ordered him to lie back on the floor. First I knelt over his face, letting him drink in all my pussy juices, fucking his face as hard as I was about to fuck his cock, the touch of his stubble against my labia making my clit swell even more.

All the time I was running my hands over my leather dress, pulling it up over my arse as I forced my tight hole down over his wide, hard length. It felt so massive inside me that I went totally mad, screaming that I was his horny little slut and that I was just using his dick to make myself cum. And then I did, writhing on his shaft until I sensed him about to shoot his load. I jumped off his cock and the spunk went everywhere, all over my arse, my dress and my pussy, still pulsating with pleasure. We both sank back on the floor, exhausted – but I knew it wouldn't be the last time I got my kicks from riding him in my leather outfit.

Making a splash...

An indoor heated pool? Sounds like the perfect location for a photo shoot in the depths of a damp British winter, doesn't it? In reality, it's not all that. It's like a fucking sauna in there, and when you've got Dani Maye splashing her amazing bits and pieces with water, the one thing you don't need is extra heat. We were already hot under the collar watching this water babe get even wetter, but add in the stultifying heat and we were sweating like the proverbial you know whats. And when you're trying to impress a girl like Dani, looking like a fatty on a trampoline is not a good look... ♣

club's ROUGH GUIDE

As we tentatively step into a sporting 2013 and wonder if it might be a case of 'After Lord Coe's show' Matt Loxham emerges from beneath a pile of Christmas empties and tinsel and says 'Bring it on'. Here are three reasons why...

Australian Open Tennis

**Melbourne Park
January 14th to 27th**

Tennis fans are a funny old bunch. One minute Andy Murray is heroically gathering medals at the Olympics, winning his first Grand Slam and generally becoming the toast of the nation. Then, on his big homecoming – he is properly English now, I believe – at the ATP Finals at the O2 Arena in London, the poor bloke gets roundly booed by sections of the capacity crowd during a defeat to Roger Federer. I think they were mostly Swiss, but still, what a fucking cheek.

Murray will begin his 2013 campaign at the Aussie Open ranked number three in the world behind Federer and Novak Djokovic, hungry for more Slam victories and keen to build on the unprecedented success of

2012. Melbourne would be a great place to start. The much-anticipated comeback of a certain Rafael Nadal, runner-up to Djokovic in an epic five-set final at this tournament last year, will be another obstacle in his way in what is one of the most competitive group of elite players in world sport. Over to you, Andy...

In the women's tournament, all British eyes will be on Guernsey's Heather Watson, who recently made history when winning the Japan Open in Osaka, smashing her way into the top 50 in the world in the process. Of course, ridiculous amounts of pressure will be heaped upon the 20 year-old's slender shoulders by the media – after all, the last time a woman from these shores won a big Tour event was back in 1988 – and it remains to be seen if she can handle the increased attention, not to mention current Brit number two Laura Robson nipping at her heels. The Australian Open will provide an indication. Wimbledon will be bloody mental.

Superbowl XLVII New Orleans Superdome February 3rd

When the 20,000 people taking shelter from Hurricane Katrina sat huddled in the New Orleans Superdome surrounded by shit, piss and anguish, the glamorous world of the Super Bowl must have seemed a long, long way away.

With two holes ripped in its roof and the stadium having become something of a dubious icon of the city's shortcomings during Katrina, for a while the battered arena that had previously hosted such legendary events as the 'no mas' or 'no more' boxing match between Sugar Ray Leonard and Roberto Duran was threatened with demolition. Sad days indeed.

Happily for the sports fans of New Orleans, the owners chose to repair and restore the Superdome, transforming a

venue once associated with distress and floating turds into one that now represents something of a rebirth; a great whacking 76,500 capacity symbol of a city saved from drowning. On February 3rd all eyes will be on New Orleans for the right reasons.

Alas, their team, The Saints, have little to no chance of being involved. However, the outfit whose stadium complex offered refuge to those decamped from a crippled Superdome during Katrina, the Houston Texans of the AFC South division, are one of the hot favourites to make it to the Super Bowl. It would be

something of a poetic moment if New Orleans could return Houston's hospitality seven years on.

AFC rivals the Denver Broncos, the Baltimore Ravens and the New England Patriots, who starred in the annual NFL game at Wembley this season, will be going all out to ruin the storyline. On the NFC side of things, the

Women's One Day International Cricket World Cup

Mumbai, India
31st January to 17th February

Women's sport is on the up. Football, golf, rugby – they even let them do boxing these days. Honestly... whatever happened to needlework and cheerleading? Out of all the sports that women have become very good but nowhere near as good as men at, cricket is currently enjoying one of the biggest surges in popularity and coverage.

Now if you're anything like me, before you engage in watching any sporting activity involving women there'll be a few questions to ask first. Are they fit? Do they wear skimpy outfits? Can I bash one out to it?

I'm joking, of course. What do you think I am; some kind of backward male chauvinist pig? The questions I really ask are what is the general standard and

India, top-ranked back in the summer and boasting a mercurial captain in all-rounder Mithali Raj. For England's star players, look no further than wicket-keeper cum batsperson extraordinaire Sarah Taylor, who is generally considered to be the best women's cricketer in the world at the moment, and Katherine Brunt, a demon fast-bowler and key wicket-taker. For some reason, however, Holly Colvin and Rosalie Birch are the most searched on Google. For their

“They'll celebrate by having a team bath and soaping their tits up. Sorry, where was I? Women's cricket, right...”

Atlanta Falcons are flying high above the scramble below, which involves the likes of the San Francisco 49ers, the Green Bay Packers and a much improved Minnesota Vikings.

However, as we all well know, the Super Bowl is as much about the event itself as the teams taking part. Companies will pay millions to flaunt their wares in the much-anticipated – and very frequent – ad breaks, Beyonce will flaunt her wares in the half-time show, and over 100 million people around the world will tune in to watch. For America, this is about as big as it gets in a country renowned for doing big. For the people of New Orleans, this is a time to celebrate and perhaps reflect for a moment on the fact that the Superdome pitch was, for a week or so in 2005, home to a far less glamorous spectacle.

are England any good at it? In cricket, the answers are 'high' and 'yes'.

In fact, the England women's cricket team are currently ranked the best in the one-day game, and they're the current ODI World Cup holders to boot. Chances are they'll win this one, too, and celebrate by having a team bath, soaping their tits up and offering to suck the coach off...

Sorry, where was I? Women's cricket, right... yes. So the main rivals to England's World Cup ambitions should be Australia, who defeated England in the most recent Ashes match and by four runs in the Twenty20 World Cup final last year, and also hosts

cricketing stats, probably, and not for their tits or anything... ♣

RATINGS: ★ PIZZA DELIVERY GIRL ★★ MASSEUSE ★★★ CHEERLEADER ★★★★★ SECRETARY ★★★★★ NURSE

The Perfect Secretary 3
(Adam & Eve)

Adam & Eve always do a top notch job when it comes to porn staples. If it's cheerleaders, MILFS or, in this case, secretaries you need, they're your people. The main hook here is the presence of Riley Reid, a small bundle of loveliness who fucks like a champ. She holds the movie together while the rest of

the cast also shine. Once you're done with Riley, make time for Chanel Preston's first interracial scene – it's a winner, despite Chanel's deeply unnecessary angel wings.

★★★★

Pornography

(Daisy Rock/Your Choice)

While the global economic downturn has severely clipped the wings of many major porn companies, and driven a few to the wall, it's also let those with quality control and a niche to explore to thrive. Daisy Rock has been a fine porn star for some years, but this really showcases her, with girl/girl, boy/girl, threeways and solo scenes allowing her to flex her fuckmuscles. Highlights are an all-girl toy-fest, the sharing of a huge black cock with a friend, a hook-up with Megan Cox and a right old dicking from veteran stud Steve Holmes. Homegrown horniness all the way.

★★★★

Big Cock Fucked Diaries

(Private)

The Magik View crew take to the seas once again – perhaps they're shareholders in P & O or something? As always, their nautical naughtiness is better than their landlubbing lustiness, and the cast of Cindy Dollar, Kristine Crystalis, Nataly Von, Honey Demon, Abelia, Angell Summers and Blanche put in good work lapping at pussy and cock while the waves lap at their yacht. Cindy Dollar is the real attraction, a high-octane fucker, but this is way better than a cruise on the Costa Concordia.

RATINGS: ★ SUGAR FREE ★★ LORD SUGAR ★★★ SUGARHILL GANG ★★★★★ SUGAR RAY LEONARD ★★★★★ SUGAR MAN

Searching for Sugar Man

(studiocanal, DVD £11.99, Blu-ray £14.99)

It's hard to stand out in what is a golden age for documentaries – *The Imposter* and *Jason Becker: Not Dead Yet* are current must-sees – but *Searching For Sugar Man* is an instant classic. You don't have to know or care about the music of Sixto Rodriguez to be hooked, as the investigation into his fabled life or even death draws you in. After recording one album that fans thought would propel him to superstardom, but actually sank without trace, Rodriguez disappeared. But his music lived on, a cult classic that spread as far as South Africa, where the directors of this doc first heard it.

They search for Rodriguez, a man rumoured to have killed himself on stage, but find that the reality far outstrips the myth. A brilliantly edited mystery, this documentary is destined to be laden with awards, and the discs are packed with fascinating extras, with the commentary proving to be one of the finest we've ever sat through. Prepare to have your heart deeply stirred.

★★★★★

Berberian Sound Studio

(Artificial Eye, Blu-ray £11.99)

Toby Jones is already a national treasure, but he gives perhaps his finest performance yet as a reserved sound engineer who goes to Italy in the 1970's to work on Italian horror films. As Gilderoy he gives a brilliant fish-out-of-water performance, while director Peter Strickland tips his hat to Giallo directors like Lucio Fulci and Dario Argento. There's a Lynchian feel to proceedings as Gilderoy's reality is infected by his work and dreams, claustrophobia and paranoia leeching into his life. Brilliant. ★★★★★

The Return of the King

(XXer Home, Blu-ray £14.99, DVD £9.99)

At last. As much as we enjoyed the LOTR trilogy on DVD, the decision to go to Blu-ray with the standard editions first was baffling. After all, doesn't everyone want these versions? If they're buying LOTR on Blu-ray, surely they're fans. Okay, not every scene added in is essential – especially during the interminable end – but many add structure and depth to the story, plus Saruman doesn't get edited out of history. The second best film trilogy after *Toy Story* gets the release it deserves. ★★★★★

Dredd

(Entertainment in Video, Blu-ray £13.00)

2000AD readers were traumatised by the dismal Danny Cannon/Sly Stallone version of *Dredd*, complete with helmet removal. While this new adaptation didn't set the box office on fire, it's vastly better. Karl Urban is the merciless lawman in Mega City One, while Lena Headey gives good baddie (as she does in *Game Of Thrones*). It's disposable pulp, but a more than game attempt to do justice to the original comic strip. ★★★

Brave

(Walt Disney Home Entertainment, Blu-ray £17.99)

Minor Pixar (the dreadful *Cars* aside) is still better than major animation from other studios. So while this isn't a classic, the tale of Scottish princess Merida (Kelly MacDonald) has charm, great set pieces and the sumptuous Pixar attention to detail. Billy Connolly has fun as the king, and there are plenty of extras on the discs. ★★★

Batman: Arkham City GOTY

(Warner Bros., Xbox 360 £24.75)

We spent a lot of time with *Batman* this year, but now that they've bundled all the downloadable content – notably the Harley Quinn's Revenge DLC – into the retail package, this is the version to get. Arkham City feels vast, the script and acting brilliant, the combat fresh and enjoyable. The best *Batman* game since the ZX Spectrum. ★★★★★

Classic Corner

Westerns Collection

(Warner Home, Blu-ray £12.00)

This remarkable value box-set is the perfect wife-unfriendly introduction to majestic widescreen Westerns in hi-def. *The Searchers* and *The Wild Bunch* are the pick, but there's rarely a dull moment at all, even if *How the West Was Won* has a portmanteau feel born of its multi-director approach. Never has brown looked so brown... ★★★★★

Bigger Than The Game

Michael Weinreb (Gotham Books, £10.00)

Weinreb's well-written and cogently argued book posits that the 80's was a landmark era in modern sports, a time when Bo Jackson, Chicago Bears QB Jim McMahon and a couple of others, together with the arrival of ESPN, changed sport forever. A brasher era was heralded, one that we know of from our own football culture, but it's great to spend time again with these amazing athletes.

Dominion

C.J. Sansom (Mantle £18.99)

Club has always found Sansom's Shardlake novels a disappointment, but this counterfactual story is something else. What if the appeasers had overcome Churchill in 1940 and Britain had become a puppet state of the Nazis? That's where we find ourselves, 12 years on, in this brilliantly imagined, atmospheric piece that tips history on its head, a world that might have been.

Hawthorn & Child

Keith Ridgway (Granta £12.99)

Ridgway's brilliant, experimental novel has no real narrative thrust, but is instead a series of linked chapters about crime, with cops Hawthorn and Child ducking in and out. It's unworldly atmosphere is reminiscent of the film *Kill List* at times. Nothing is solved, people fail to connect and Ridgway has a great sense of London's alienating nature. One of the most interesting modern novels in years.

On Warne

Gideon Haigh (Simon & Schuster £16.99)

Haigh has been described as the finest cricket essayist alive – we'd agree – and in the brilliant, controversial Shane Warne he's found his perfect muse. This book has all the beauty and craft of a perfect off drive, Haigh getting under the skin of a man who isn't just a sporting icon but a chunk of Australian id made flesh. It sheds light on cricket, Australia and modern man in remarkably few pages. ♠

If you're of an electronic musical bent, and you found one of these in your stocking at xmas, you'll be one happy chappy. It might look like a cheap toy, but it's actually a fully featured synth with chunky filter knob, pitch adjustments, and even auto-tune if you fancy yourself as a singer but can't actually sing. Go out and get drunk, invite some friends back and create some Ultravox or Pet Shop Boys knockoffs. Just don't bother playing them to us...

Cons: Will lead to more autotuned singers. Which is all we need.

Despite the fact that people are still manufacturing DVD players, we still hear a lot about the death of Blu-ray. Well, not with players like this. Sony have been at the top of the Blu-ray pile for a while, but while many entry level players are light on features and long on loading time, this mid-ranger does more. It looks the part, the picture is fantastic, it upscales DVDs nicely, it has Netflix and BBC iPlayer support and a raft of other features. If you're one of the millionaires with a 4K screen, this can upscale to that, and you can use both iOS and Android phones as a remote. Sweet.

Pros: Picture is superb, packed with features.

Cons: Why oh why are Blu-rays region locked?

Toshiba have done a brave thing here. Rather than try to step on the toes of its competitors, it's decided to give this laptop a USP. The super wide screen on this is perfect for viewing movies, making letterboxing a thing of past. Movies look crisp and in perfect ratio, and they've thrown some great speakers in there as well, rather than the tinny efforts you get with most laptops. And it does okay as an actual laptop as well, although how much tolerance you have for dragging a cursor across a screen that vast is up to you. The keyboard is below par as well, but if you're using this instead of a telly, you won't really care.

Pros: Great screen.

Cons: At the expense of a keyboard. ♣

Yes, Brett, but that's because it's not the 1950's. "You know what I mean. Anyway, I'm not the only Brett in porn."

Well, you're the only one with a vagina. Doesn't it get confusing on set when you're working with a man called Brett?

Courtesy of Club...

Back in 2003, Jelena Jensen made her modelling debut in the US edition of *Club*, which was then our sister magazine, made in London until only a few years back. But we're not here to blow our own trumpets – we're here to blow Jelena's. If, indeed, she has a trumpet.

"Oh, that definitely kickstarted it for me," she says. "I wasn't sure about modelling, but after I was in *Club* I got stacks of offers and couldn't say no. I'd just become a Bachelor of Fine Arts, but let's say I haven't had to use that just yet. *Club* opened the door for me, and no-one has shut it yet."

Looking like this, Jelena, no one is ever going to shut that door. ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

HAPPY BUMDAY!

One of the first things I noticed about Vicky was her bottom. Vicky's a good looking girl, 32 years old and with a full complement of trouser-tenting assets: long blonde hair, ample breasts and long slender legs. But her arse is her best feature by far. It is simply gorgeous. Not too big, not too small, just firm-looking and beautifully curved.

From the very first second I saw her bum I wanted to fuck it, but I never thought I'd ever get the chance to, since she's my next-door neighbour, has a boyfriend and probably didn't do anal anyway. Well, here's the story of how I found out that she did in fact partake in anal sex.

It was sometime after midnight on my 22nd birthday and I'd been out at my local pub having a few beers with some friends. It was chucking out time and I was bit pissed so I decided to call it a night. Stepping outside, I noticed Vicky standing there having a smoke. Remembering I'd smoked my last one an hour ago, I asked her if she had a spare for me. "Sure, Craig," she smiled, handing me one.

As I was smoking it she asked if I'd had a good night. "Yeah, but it could have been better." I answered. Vicky looked at me a bit puzzled and asked what I meant. Fuelled by the pints I'd just consumed and feeling rather confident, I told her the truth. "Well, I hope you're not shocked by what I'm going to say." Vicky suddenly smiled, "Don't worry Craig, nothing really shocks me."

When she said this I felt my cock suddenly begin to throb in my jeans, but somehow I managed to continue. "I was hoping to meet some hot babe and fuck her hard up the arse."

Vicky looked at me straight in the eye. "So that's your fantasy, is it?" she asked calmly. Feeling a bit embarrassed now, but realising I had no choice but to admit it, I nodded. When I noticed that she was still staring at me intently, I realised I had to tell my actual fantasy. "Actually Vicky, I've always wanted to fuck you up the bum, but I guess that's not going to happen because you've got a boyfriend."

Now Vicky did look shocked, but not

“I upped my pace and fucked her bum as hard as I possibly could until I felt myself tense up”

for very long. "I do have a boyfriend," she pondered, "and I do actually take it up the arse," she paused for a moment before adding, "but as a very special birthday treat, you can fuck my bum too!"

I couldn't believe it; she was openly inviting me to fuck her! "You remembered the date?" I smiled. "Of course I did!"

As soon as we got back to my flat we headed up the stairs to my bedroom. Vicky opened the door and dragged me in after her. She quickly took off her clothes and encouraged me to do the same. When we were both naked I started to kiss her on the lips, but she pulled away announcing that she had a better idea. She got down on her knees

and began to deepthroat my cock. Now I've had quite a few blowjobs in my time, but no one had ever done it like this before, and Vicky certainly knew what she was doing.

For the next few minutes I was treated to the greatest oral pleasure – almost too great, as I felt I was about to shoot my load into her hot, wet mouth. Vicky sensed this and pulled away just in time. She climbed onto the bed and got herself on to all fours. She then slowly pulled open her bum cheeks with both hands, showing me her beautiful little arsehole, which was just begging to be fucked. "Come on Craig, come here and stick that big hard dick up my tight little arse and fuck me til you cum!" she said, looking over her shoulder at

CALAIS-FORNICATION!

My husband has become a workaholic, and at weekends I barely get to see him anymore. In fact, I've even suspected a few times that he has been seeing somebody else. When my best friend, Sabrina, asked me if I wanted to come with her for a booze-run to Calais with some of her mates, I didn't even bother telling John.

When they picked me up on the Saturday morning, they turned up in a kind of mini-van. There was Sabrina and her mate Leticia in the front seats with me, and in the back of the van there were two of their mates from work, Damian and Chris. It felt like we were teenagers going on an adventure, and it was a million miles away from the boring life I was used to at home. The guys were a laugh, especially Chris, and he made it obvious that he was out to flirt with me from the moment he appeared from the back of the van.

We went for some lunch and drinks in Calais, before loading the back with booze – crate upon crate of lager and cases of wine. I offered to travel back to Cambridge in the back, and Chris quickly decided he would join me. In the dark of the van, we were giggling like little schoolchildren over anything, occasionally hearing the others shout through to check we were okay.

I started to tell him about my husband, and after listening to my moaning he said, "You need a bit of fun then, don't you?" "There's no doubt about that," I replied. Sitting next to me, our backs against the crates, he ran his hand over my thigh and with his left hand reached across and stroked my cheek. I had never cheated before, but I liked the illicit feeling of what was happening, so didn't pull away. His right hand was now at the crotch of

“She slowly pulled open her bum cheeks with both hands, showing me her beautiful arsehole”

my jeans and my pussy tingled beneath the denim.

In seconds, we were groping each other in the small dark space, our feet scraping for purchase against the boarded floor. My jumper and T-shirt were lifted over my head, allowing my 36C tits to flop against him. In the dim light, I could still see the excitement in his eyes as I mounted him and rubbed my fleshy chest into his face, his tongue straining to lick at the nipples. Between my legs his bulge was pulsing and I ground my mound against it, teasing him and giggling naughtily.

He pushed me up onto my feet so he could undo my button-fly, and we awkwardly shifted my jeans down to the ground as my tits hung above his head. He undid his own trousers and yanked out his shaft, gripping it at the base to hold it upright. Lowering myself back down, I parted my own lips with splayed fingers, feeling his swollen end push against my entrance. When the tip popped inside me, I let out a little yelp, which prompted Chris to cover my mouth so the others wouldn't hear. I gripped hold of the plastic covering a tray of beer bottles, and began to bounce gently up and down on his dick as he held my arse. My knees were scuffing on the floor as I rode him, and he had to bite hard on his lip to avoid making noise himself. Each

me. Needing no more encouragement I got up behind her and pushed my dick against her tight hole. Not much happened at first, and then all of a sudden I felt her open up and my cock slid right in. I fucked her slow and softly at first, not wanting to hurt her. But this seemed to only frustrate her as she made it clear she wanted it hard and fast. So I upped my pace and fucked her bum as hard as I possibly could until I felt myself tense up, ready to explode. Vicky felt this too and screamed at me to, "fill my arse up with all your hot sticky spunk!" Which I instantly did, right to the brim. I waited a little while embedded in Vicky's arse until I felt my cock soften then slip out. Vicky turned around and finally let me kiss her properly. Afterwards she once again wished me a happy birthday, and as she walked out I thought to myself, "yeah, this one really was!"

Craig, Glasgow

“**He reached for my clit and frigged it with two fingers as he drove his dick into my arse”**”

time the van hit some uneven road, I'd sink unexpectedly further onto his cock, and he would have to cradle me tight to stop me from falling to the side. My pussy was dripping with the excitement of it all, and I could hardly believe what we were doing. However, he then insisted he fuck me from behind, and things got even better.

Removing myself carefully from his twitching pole, he slipped between my legs and turned around, bending me over the crates that we had been leaning on. My tits were draped over rows of beer bottles and my pussy hairs were against the cold plastic. However, I soon felt the warmth again as my vagina was opened, this time by him, and his bell-end was searching back inside me. We both had to hold on tightly as the van cornered, his length going incredibly deep each time the van pulled up at a junction, our bodies squashing together.

“You two okay?” Sabrina shouted from the front. A short, gasping, “Yes!” was all we managed back in unison, as Chris was inserting the tip of his finger in my bum. I pulled my arse apart to allow him to push it in further, but he withdrew his dick from my cunt and positioned it where his finger had been. I craned my neck around to flash him a mischievous grin, and he spat on his fingers, adding moisture to the tip of his cock. I felt

his prick edge its way into me, my sphincter gradually relaxing. Thrusting carefully, he hooked his arm around to my clit, and frigged it with two fingers as he drove his dick into my arse.

I began to orgasm, and he held me steady as I shuddered against the crates in the already jolting van. Just as I was finishing, I suddenly felt a stream of cum flood my anus and heard a muffled, “Fuck me. Fucking hell!” from behind. Drawing his penis from me, I was left holding myself still, as the van trundled along, with his jizz seeping from my bumhole. I felt myself burning up with the total filthiness and excitement of the whole situation. He bent over me, kissing me gently on the side of the face and neck. “Was that the sort of fun you were looking for?” The problem was, my heart was beating too fast to reply!

PLEASURE CENTRE

From the moment I took my job at the leisure centre, I knew the boss had a thing for me. On my very first day he insisted in taking me through the orientation, rather than leaving it to one of the line managers. I was more than happy to flirt with him, as he was really fit and muscular. In fact, I was hoping that he wasn't just a tease as I was well up for it. If

ever there was any information to be given to the staff, he always insisted on calling me in to his office to tell me personally. A couple of times, he even patted me on the arse as I left, saying, “You'd better get back to work, you've got to keep the boss happy, you know.”

A couple of weeks back, though, I was sent to see him as I had been late a couple of times and it had been reported by my immediate superior. I was pretty nervous, as I loved my job and didn't want to lose it. So adopting a very humble demeanour, I entered his room to find him sat to the side of his desk looking sterner than I'd ever seen. My anxiety getting the better of me, I blurted out, “I know I've been late, but I'm so sorry, it won't happen again and I know if it does, you'll have to...” “Stop,” he calmly interjected, saving me from further embarrassing rambling. Fixing his gaze on me, he then stated, “You realise I'm going to have to reprimand you, don't you?” My shocked expression was then met with a wicked grin appearing at the corner of his mouth. “Come over here Anita,” he said, motioning for me to stand in front of him. “I think if I spank your bottom you may learn not to be such a naughty girl, don't you?”

My pussy tingled with excitement, and smiling saucily at him I turned myself around. He took a cheek in each hand through my tracksuit bottoms, and then gently slapped my right buttock. I pushed my bum further towards him and he massaged it further, his thumbs finding the crack of my arse through the towelling material. Dragging my tracksuit bottoms

"I pulled my own arse cheeks apart, letting him nudge his prick gently into me. It edged up my chute"

down, he pushed his thumbs further round the bottom of my now bare arse until he found my rapidly moistening fanny.

He parted my flaps slightly, before slapping my backside sharply and slipping his index finger deep inside my cunt. A wave of pleasure ran through what seemed like my whole body and I wriggled further onto his firm hand, taking it deep inside me. I was getting what I really wanted, and playfully stated, "I think you might have to eat my pussy if you want me to get to work on time." I didn't have to wait for a response. Plunging his face enthusiastically into my cheeks, he licked me from my arsehole to my clit, before forcing his tongue between the fleshy folds of my minge. After working his mouth over it for a few minutes, he moved up to my anus, teasing the taut ring with the tip of his tongue before rimming me senseless. My arse was shuddering with delight around his face, as I gripped the desk for support.

"Fuck me," I demanded, unable to take much more. He steered me to the ground, positioning me on my hands and knees. I heard him undoing his belt and trousers from behind, as I waited expectantly, my round bum raised and quivering in front of him. However, he walked around the side of me, his trousers around his ankles and knelt in front of me. My mouth instantly strained forward for his cock, and I took it straight against my throat in one motion, my hand running up his toned stomach. I was so turned on that I devoured his cock, slurping at the ridge of his helmet as he moaned and held fistfuls of my cascading hair. I could feel the tip of his hard dick against my throat, and massaging his balls I knew he would need to fuck me soon. I was right. He pulled his dick from my mouth.

Staggering back around to my already aching holes, I heard another sound – his desk opening. "How naughty are you?" he asked, and I turned to see him squeezing some K-Y jelly onto his fingers. I shivered with excitement and let out a giggle. Smoothing it against my bumhole, I pulled my own arse cheeks apart, letting him nudge his prick gently into me. Soon it was edging up my chute and my sphincter relaxed, allowing him to drag it in and out slowly. My pussy was still dripping from the tonguing it had received before, and I just had to reach underneath and frig myself off as he began to pound my arse harder. I was whimpering with pleasure, urging him to, "spank my bum hard," whilst he fucked it.

I came first, my fingers deep inside my own cunt, sending an almighty orgasm ripping through my lower body. With both holes filled it seemed to last for ever, and everything went numb. Then, all I could feel was his creamy wad flying up my hole and him holding my hair back in his fist. He certainly had lots to deliver, and I felt it oozing out down through my pussy and onto my thighs.

We were in a totally shattered, sated state and had to sit in his office, sighing with satisfaction and getting our breath back for about twenty minutes! Eventually, he said, "So, Anita, are you going to be late again?" Without hesitation, I replied, "Oh yes, without a doubt." I wonder what will happen...

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

While medical series *House* was pretty much a busted flush by the time of its demise, despite the excellent work by its cast – most notably Hugh Laurie – it was still a must-see. We thought the eye candy had been soured when Jennifer Morrison left, but we hadn't reckoned with Olivia Wilde. As '13' she was tragic, feisty, doomed and oh-so-fucking-fit. Before she made her name, she was topless in 2006's *Alpha Dog*, but once famous teased us relentlessly in *The Change-Up*, *Butter* and by wearing a succession of tight futuristic outfits in the dogshit *Tron* update. But huzzah! In 2012's *Deadfall* she plays a depressed girl who gets her boobs out. The perfect combination! ♣

PIERCED PLEASURES!

Maddie and I have been loose friends for years – getting together at birthdays and BBQs, Christmas and New Year but not really keeping in touch in between. However, that all changed when we discovered a mutual sexual interest after I got my tongue pierced. Suddenly Maddie was all excited curiosity, which I found odd as she was normally so refined and in control. I'd always thought I was the adventurous one and I was deliberately teasing her when I told her what a great sex aid the piercing was. She'd never told me anything about her bedroom antics. If I had imagined them at all, they would have consisted of vanilla missionary in the dark – which shows how much I know. Maddie was in fact, something of a dark horse.

"What does it feel like?" she asked.

"It feels great," I replied.

"I think I'd like to be on the receiving end," she said, with a little flirtatious smile. I felt my eyebrows rising in surprise as she touched my elbow.

"You mean kissing?" I could feel the colour rising in my cheeks.

"No – well, not just kissing," she said, dropping her eyes significantly. "I'd like to see what it feels like... elsewhere." Now I was truly shocked. Was my supposedly shy friend asking me to give her oral sex? Then she did: "I'd love you to lick me out – but only if you want to do it, of course."

"Of course," I replied, automatically.

"So..." she said, using the single word as an unspoken challenge.

"OK," I said, feeling flustered – this hadn't gone to plan. I had just agreed to give oral sex to a woman.

"Come-on," she said. "I'm sure there won't be anyone in the bedrooms on such a nice day." My stomach knotted. Maddie was going to make me do stuff to her now. Lesbian stuff. I stumbled upstairs and we slipped into the master bedroom and locked the door.

I helped undo the zipper on Maddie's summer dress – as friends do – but she let it fall to the ground, revealing her girlish body and pretty underwear. She followed up by unclasping her bra, allowing her milky white

breasts to sit naturally. They barely responded – bouncing only slightly as their support was removed, leaving the generous C-cups proudly defying gravity. Maddie twisted slightly, presenting her left breast to me. I knew what was expected, even though shock was numbing my brain. I did that to my boyfriend when I wanted my nipples sucked. I dropped my mouth to her nipple and teased it with my tongue. It grew, and stiffened into a little peak of excitement. Maddie sighed in a way which made me feel surprisingly dirty. I had just given a woman sexual pleasure for the first time.

Maddie pushed me back as her nipples became over-sensitised by my sucking and licking. I was slightly horrified as she eased the black mesh of her thong down her legs and sat back on the edge of the bed and spread her legs. She wanted me to lick her right there and then. Part of me wanted to leave, another to at least pull the curtains across – but that would have just drawn attention to the fact someone was in the bedroom. Oh God – what if someone came in and caught us? Best to get it over with – just give her what she wanted and then I could make my escape and things could get back to normal.

There was no lesbian lust welling-up from inside me as happened in all the erotic stories I've read. I took it slowly, hoping that 'Sapphic desires' would suddenly flood through me. But they didn't; Maddie's clean-shaven mound was waiting for me as I forced myself higher up her inner thigh. I was already crossing new boundaries just by looking at a pussy and contemplating... there were juices glistening on the bare lips of Maddie's pussy. I wondered what they'd taste like.

"It won't be too bad," I rationalised to myself. "It'll be like giving a sympathy

blowjob for a guy who's perfectly nice but I don't fancy." With that thought, I used my fingers to pull the folds of Maddie's pussy apart. Then my tongue touched her. Soft wetness surrounded my tongue and Maddie's body heaved as though it had been hit by a sudden earthquake. I didn't know what she wanted but instinctively dragged the barbell in my tongue over Maddie's inner flesh. The room was filled with a screech of female ecstasy. Thankfully, the windows were all shut against the smoke of the BBQ. Even so, I wasn't sure that the double-glazing and the music in the garden had been enough to mask Maddie's outburst. Part of me was expecting the whole party to be breaking-down the door any moment.

"Oh God, that feels amazing," Maddie groaned, as she pushed her crotch off the bed and into my mouth. I licked slowly, deliberately from the very base of her slit right the way up to her clitoris, dragging the bar against her

“ I used my fingers to pull the folds of Maddie’s pussy apart, then my tongue touched her”

flesh all the way. “Ooooh fuuuuuuck!!” Maddie screamed, and I felt her hand gripping my head. Her pussy started moving against my mouth – she was grinding herself against me, losing control. “At least she’s enjoying it,” I thought to myself. Maddie lost her grip and she ended-up holding a handful of my hair – which she yanked, trying to pull me in even deeper. It wasn’t possible; my mouth was already jammed against her pussy. However, I knew what that desperation meant and I played my piercing over her clit again and again.

Just for a moment it all went still as Maddie tensed and then she started thrashing around wildly, her body wracked by brutal convulsions. I tried to lick her but it was impossible to maintain contact with my mouth as her crotch was undulating with such violence. Despite my previous reservations, I felt empowered by the fact that I’d made her orgasm. It hadn’t been too bad – in fact, I’d quite enjoyed it. Maddie drew me up so that she could kiss me properly. As our mouths opened against each other, the tip of her tongue made straight for my piercing and as she explored it, I

wondered whether she was remembering the way it had felt on her pussy.

“Perhaps I should get mine done,” she sighed. “So I can return the favour.” I had a vision of thrashing around on my bed, screaming Maddie’s name whilst she worked her pierced tongue into my pussy. There was a definite twitch from ‘down there’. Perhaps I did have some ‘Sapphic desires’ after all.

“Yeah, maybe you should... but I’m sure I’d enjoy your tongue in my pussy without a piercing.” I was right – I really do and we meet-up much more regularly now that we’ve found a common interest

BOUNCY BANG!

My life has changed incredibly since having my daughter four years ago. I used to be out partying every weekend with loads of wild people, but now I live the classic suburban life, and most of my new friends I met whilst doing the school run. As I’m a single mother, I find it really hard to go out and meet new people. However, some of them are a good laugh and are as frustrated with their lives as I am. Recently, we decided to have a party for our kids as a bit of an excuse for all of us to get together and have a drink.

We went to town on the party, hiring a child’s entertainer and bouncy castle for the

“I took it deep into my throat and was rewarded with moans of pleasure and a twitching, writhing shaft”

garden. By about eight o'clock most people had left in order to put their exhausted kids to bed, and eventually I was left with my friends Karen and Ray who were staying over. With our kids sleeping soundly, we set about finishing off the booze, getting sillier with each drink. Karen suggested that we have a go on the bouncy castle, and without hesitation we all staggered out into the garden. I could feel my head spinning as we bounced around in the dark, falling all over each other and giggling insanely.

Eventually, I flopped in a corner, with Ray landing on top of me, his face virtually in my lap, whilst Karen continued to spring up and down. With the drink inside me, I suddenly felt a rush of excitement, and couldn't help myself from smacking his arse saucily and saying, "Karen, I think Ray is after me, don't you?" "Oh definitely, he's desperate to fuck you," she replied. I couldn't believe my ears, and waited for her to say she was joking, but looking down at Ray's eyes burning into me, it was clear that she wasn't. "I don't mind," Karen continued, and before I even had time to think about it I was snogging her husband.

I sensed Karen watching us as Ray clawed my cardigan open and flopped my tits out into the open air. She was then on her knees right alongside us, holding the bouncy castle steady underneath us as Ray got to his feet above me. As he unzipped his flies, I glanced nervously towards Karen, who just smiled and nodded eagerly in encouragement. Unable to move in the corner, I opened my mouth wide, allowing his dick to run along my tongue before clamping my lips around his girth.

I'd never been watched before, and was conscious that I gave a good performance, taking each ball in my mouth and pushing his prick back to stroke my tongue against the base of his pole. His dick pulsed in my hand each time I did and, having teased him long enough, I let him insert his length back into my face. As he fucked at my mouth, his feet pressed down onto the inflated surface and gently bounced me up and down, my head rocking back and forth naturally over his bell-end. I was sucking his dick so well that Karen was getting more and more excited next to me, urging me to take it deep into my throat. I did, and was rewarded with moans of pleasure and a twitching, writhing shaft

tickling the back of my throat.

My pussy was now aching for some action, and I dragged his saliva-covered cock from my mouth whilst his wife watched me behave like a slut. Ray grabbed my ankles forcefully and yanked me onto my back, my skirt riding up my thighs as I bounced across the surface. Karen was now joining in and dragging my knickers down, then parting my legs for Ray. Steering his meat towards me, Karen's hand reached down for my pussy lips and parted them. Obviously catching sight of my expression, she whispered, "Is this okay with you?" I nodded, half-biting down on my lip as I felt Ray's swollen end push into me.

Ray was holding my arse in both hands as he pumped away at my cunt, the extra bounce in the surface making it feel wilder than ever. Desperate to keep his balance, his knees kept giving way and his prick would thrust deep inside me, almost to the point where I couldn't take it. Karen, meanwhile, was showing a side of her that she had kept well hidden until now, sucking and biting my nipples as I was being fucked hard. I had never had a woman so much as touch my body before, and soon I was letting one frig my clit. I was loving it!

Our bodies began rolling around together on the inflated plastic, with me ending up on top of Ray. Using the extra bounce, I began to ride him for all I was worth whilst Karen cupped my tits from behind, letting them bounce against her palms and tweaking my nipples. She kept whispering filthy words of

approval in my

ear, and every time I ground my hips down into Ray, she said, "Oh yeah, he really likes that."

Catching sight of my surroundings, it seemed crazy: The whole of the bouncy castle rocking and squeaking as I drove myself to orgasm. I began to cum over Ray's shaft, looking up into the night sky as I climaxed heavily. My pussy still burning with pleasure, I felt Karen's hand push me forward, until Ray's dick popped from out of my pussy. I could feel her long hair brush against both my holes as she went down on his length. Moving forward so I could sit on his chest and turn my neck around, I saw her grinning face take a full spurt of jizz against it before she devoured his cock, spunk seeping from the sides of her mouth.

I hadn't realised she was so filthy but, then again, who was I to talk? Everyone seemed happy with the outcome, and we lay in a heap gently rocking on the bouncy surface. In fact, we were so pleased that they didn't even get to the spare room I'd got ready for them, as there was more than enough room in mine!

ANGELICA ♣

Turning over a new leaf...

We reckon that, like us, all you'll have seen through your windows for the last few months will have been relentless rain. What the fuck is going on? So we thought we'd deliver a double treat for your eyes: The beautiful sight of Angelica, and the tropical paradise she finds herself in.

"It looks nice," explains Angelica, "and it's warm. But fuck me the insects are terrible! They're huge, they're noisy, you find them on your bed at night. Ugh!"

Stop moaning, love. Have you seen the rain we've got? ♣

DOWN THE WIRE

MY-PLAYER!

In these days of Sky Plus, Tivo, iPlayer and such, there really is no need to argue over the telly. If you can't watch it now, you can watch it later. Clearly 25-year-old Clarence Newcomb of Kings Park, Long Island, doesn't have Tivo. He was arrested at the house he lived in with his grandmother (he's obvs a real go-getter) after she died following an argument over what TV show they were going to watch. He called the police himself at 4.35am to report that she was lying on the floor. Lt. Jack Fitzpatrick commented that he didn't know what shows were involved. Which means that was a question someone asked him. Seriously. (Okay, we reckon the argument was over *Countryfile*.)

WANK ROBBER!

A dumb criminal – too thick to be named at this time, sadly – thought he'd got away after going into a bank on New Year's Eve, handing the 'teller' a note stating he had a bomb and asking for money. He got what he wanted. If only he'd left it at that. Instead, on New Year's Day, police received a

report about a man lying on the ground near a car dealership, publicly masturbating. Officers arriving on the scene noted he matched the description of the suspect in the bank robbery and arrested him. He claimed he hadn't been wanking, but was hiding money in his pockets and shoes. Ah, the old 'pockets and shoes' wank. We know that one very well.

DOG EATS HOMEWORK UPDATED!

When 40-year-old Debbie Michelle Zamacona of Winder, Georgia, the USA (where else?) called the police to report a theft, she seemed more bothered about the disappearance of her Curriculum Vitae than about the blouse that had also gone missing. Responding officers were more surprised when Zamacona fingered the possible culprit – one of two ghosts that haunt her. She said she didn't think it was the ghost of her mum, but a 'black spirit' that also visited. When asked to value the CV, she gave a value of \$5000. Man, that must have been some nice stationery. In a nice postscript, Zamacona's poor husband later announced that he'd found a copy of her CV on her computer. IT Joke Alert: Did he ghost her drive? Lolz.

DONKEY RIDE!

Most blokes, when caught fucking an animal, would shamefacedly accept their slap on the wrists and shuffle off to their sheds. Not Carlos Romero. He was arrested in Ocala, Florida recently, hanging out the back of a donkey. When questioned, he didn't flinch, saying that when the donkey is in heat he'll often masturbate behind it, as he, "likes the way her fur feels". He also admitted to doing it several more times and ranted, "Florida is a backwards state and people frown on zoophilia here." He then went on to say humans are dishonest, but animals "are usually there for you" and "do not seek other pleasures". The 21-month-old miniature donkey, Doodle, was not available for comment. ♣
